§24–203.

- (a) In this section, "public access point" includes a parking lot, playground, picnic area, boat launching ramp, or park.
- (b) Within 24 hours after a leak is reported, the Commission shall post warning signs at each public access point to a waterway that becomes contaminated by a leak in a sanitary sewer line, pipe, or fixture that is connected to the sanitary sewer system of the Commission.
 - (c) A warning sign posted under this section shall include:
 - (1) the source and date of discovery of the leak; and
- (2) the contact information, including a telephone number, of the Commission for members of the general public to use for obtaining additional information.
 - (d) The Commission:
- (1) shall post the warning signs downstream from the leak in accordance with regulations adopted by the Commission; and
 - (2) is not required to post any warning sign upstream from a leak.
- (e) The Commission shall adopt regulations to implement this section, including regulations concerning:
- (1) the minimum distance from the source of a leak within which warning signs must be posted; and
 - (2) the form and content of the warning signs.
